Real Estate.

search thieves, what to do at fires, and search thieves, what to do at fires, and ing places,

a hundred other things policemen should know.

Search thieves, what to do at fires, and ing places,
Each drew forth the pocketbook and scrutinized the contents without attaching any importance to what they found

There are real live thieves, real burg-

A fire alarm sounds. A miniature building is ablaze. The police recruit is shown how first to rescue any occupants, then call assistance with his club and notify the station of the pattern of the prisoner's club and notify the station of the pattern of the prisoner's club and notify the station of the pattern of the prisoner's club and notify the station of the pattern of the prisoner's club and notify the station of the prisoner's club and notify the station of the prisoner's club and notify the station of the prisoner's club, and the prisoner's club, and the prisoner's club, and the prisoner in hand.

Then Capt. O'Brien took the prisoner in hand.

"This man is fairly loaded down with stuff," he informed the scholars, quickly running his hands over the prisoner's club, and the prisone nature and extent of the fire.

Real Burglar Tools. Kits of burglar tools are then brought

There are the several forms of "jimmies," including the more pretentious sectional jimmy, which in skilled hands oan burst asunder a safe door. Then there are "picks" for locks, false and ion keys with ingeniously devised attachments for shortening or lengththe lock to be operated on; the "nippers," used by hotel thieves for turning a key from the outside of a door; fine saws, acids and, in fact, every appurce to the outfit of the crook, to the sand-bag, brass knuckles and black

Policeman Michael Cavanagh, an old time thief-taker, posed as a thief. Armed with a jimmy Cavanagh made a pretended attack on a store entrance. He was discovered by the scholar "cop" assigned to that post.
Cavanegh pulled his cap down over his

"Breaking into a store."
"Burglariously?"

Overlooked a Clue.

walstband. "Always bear in mind, men, that your pelsoner is always ti.Ing to beat" you. This fellow would have sawed his way out of jail if we had given him the chance. See, here are a few pawntickets, a necklace and a few diamonds, and a few more saws all eleverly hidden.

"This necklace answers the description of the one stolen from the Chase residence. Can't you fellows see that from the description on the builetin board over there? Look sharp. Don't that report say, too, that the burglars tore an envelope in half, leaving a portion behind them? Here is the part lett by the burglars, and in this pocket-book I find the other half."

To-morrow the new policemen will receive their first instruction in first aid to the injured. Capt. O Brien hopes to turn out his class of 320 patrolmen prepared to go on post and do efficient and intelligent police work. A Burglar's Hiding Place.

#### HEARING AGAIN PUT OFF.

Postponement in Suit Between In-

terborough and "Huckleberry." By consent of counsel on both sides, the hearing on the application of the New York City Interborough Railway Company for leave to build a surface railroad system in the Bronx, which is being opposed by the Union Railway Company, a continuation of which was set for to-day before the State Railroad Commission in the Fifth Avenue Hotel, a d imaginary drunks.

A fire alarm sounds. A miniature building is ablaze. The police recruit is shown how first to rescue any occupants, then call assistance with his club and notify the station of the large and extent of the fire.

Then Capt. O Brien took the prisoner commission in the Fifth Avenue Hotel, was again adjourned until Monday, Oct. 2 at 10 o'clock. George W. Wickersham appeared for running his hands over the prisoner's club and notify the station of the Captain, producing the saws from the resented by H. C. Henderson.

## Secret of English Ladies' Complexion
